AUX203N   IP Network Column Speaker

Features

> The use of raw seaweed salvage pulp drum paper, full-frequency double cone speaker, frequency response wider, clear voice, bright and thorough.

> Able to operate independently from the network and the host.

> Built-in mass storage, built-in program source, with timer / save function.

> Can play background music from the host system, emergency paging, alarm function.

> 10 / 100M adaptive, support DHCP / static IP settings, support LAN and WAN.

> Uses the main box, stereo design.

> The box is made of high quality fiberboard and birch cold pressed leather, effectively preventing the harmonic sound.

> Equipped with mounting bracket, easy installation.

Description

AUX203N IP Network Column Speaker is made of high quality birch, the speaker unit using the original color

seaweed salvage pulp drum paper, full-frequency double cone speaker, frequency response wider. Its rated power is

2x15W. Support music formats like MP3、WMA、WAV、ACC、OGG、 APE、FL etc.

*S*pecification

Item	Specification	AUX203N	AUX403N
Acoustic System	Driver Units	4 " ×2	4 " ×4
	sensibility（1m,1W）	90±2dB	94±2dB
	Maximum SPL（1m）	99±2dB	108±2dB
	Freq. Response	140Hz-12KHz	140Hz-12KHz
	Rated Power（RMS）	2×15W	2×30W
Amplifier System	Amplifier — Freq. Response	20Hz-20KHz	20Hz-20KHz
	Amplifier — SNR	≥81dB	≥81dB
	Amplifier — Distortion	≤0.1%	≤0.1%
	Line Input — Input Impedance	＞10kΩ	＞10kΩ
	Line Input — Sensitivity	1.0mV	1.0mV
	Audio — Format	MP3、WMA、WAV、ACC、OGG、 APE、FL AC etc	
Others	Network interface	R J45（10/100M）	
	Support agreements	TCP/IP、UDP、ICMP、IGMP（Multicast）	
	Power Input	~90-240V 50Hz/60Hz 1A	
	Size（H×W×D）	390×138×120mm	602×138×120mm
	Weight	2.8kg	5.0kg
